

# The Parish Dell Project

Knowing Christ, making Him known

Each brick in the project costs approx. £5 to buy and use

**Will you help us by BUYING A BRICK?**

We launched this scheme at the World Wide Charities Fair raising £250, those bricks are being saved with any that you buy now.

Perhaps you would like to remember a loved one or a group of people.  
Or maybe your family would like to buy bricks together.

You can write your names on the brick or dedicate it to anyone.

**These paper “bricks” will be kept and stored in The Dell in a time capsule to perhaps be opened in 50 years’ time.**

**Simply dedicate the “brick” below and either, send it with your £5 donation to the Parish Office, or place it in the collection box in church. We accept cash or cheques.**

**Cheques should be made payable to “Ashtead PCC” – Thank You**
