Rianna's Fund

Changing lives through care and education

Over the years since Rianna's Fund began we've had the privilege to see firsthand the positive change the fund makes to thousands of children through the provision of care and education.

Working closely with Christian partner organizations in East Africa and India, Rianna's Fund helps to change lives in 3 key areas:

Previous classrooms at Covenant School 2015

With fundraising and donor support Rianna's Fund has been able to fund 11 schools so far enabling thousands of children from the poorest of communities access to education and daily nutrition.

1) Building Schools: Providing financial assistance to build schools in poor rural communities. Planting or replacing existing rudimentary and often unsafe structures with permanent brick school classrooms.

2) Children's Homes: Rianna's Fund supports every month running costs of three homes giving vital care and support to orphaned, abandoned and street children.

3) Educational Projects: Rianna's Fund supports many children every month funding school, college and university fees. Without funding they simply would not be able to attend school.

Other support includes vocational training for teenage girls and 'Balwadi' preschool teaching in slum communities in India.

Prayers

- ◇ Give thanks for all the children and projects we have been able to support since the fund began and for doors that have opened in India, Kenya, Uganda and Rwanda.
- ◇ Give thanks for our project partners who work to bring positive change in children's lives through care and education.
- ◇ Give thanks for all the varied and wonderful ways people continue to support Rianna's Fund through fundraising events, their time and giving.
- ◇ Pray for project partners as they seek to help the most vulnerable in their communities and the decisions they make to help make a difference. Pray for blessings and encouragement as they carry out their mission work.
- ◇ Please pray for Rianna's Fund as we decide which projects to support. Pray we will continue to be a blessing to partners and bring encouragement and hope.
- ◇ For guidance as we look to support new projects, that they will come to fruition and be a blessing for all those involved.
- ◇ For resources and financial support in meeting our ongoing commitments and for guidance as we continue to understand the need and find ways to help effectively.

Thank you for your prayers and continued support.
